EXECUTIVE LEADERSHIP AND BOARD CHANGE

The Naspers and Prosus boards and Bob van Dijk have mutually agreed that Bob will, effective 18 September 2023, step down from his position as chief executive as well as his position on the boards of both companies. Bob has agreed to assist with the transition after this date and will remain as a consultant to the group until 30 September 2024.

Bob has been the chief executive of Naspers since 2014 and of Prosus since its listing in 2019.

Bob established the group as a leading global consumer internet company, creating significant value for shareholders. The boards sincerely thank Bob for his leadership and contribution.

Ervin Tu will assume the role of interim Chief Executive of Naspers and Prosus.

The group's strategic goals remain unchanged and it is on target to deliver on its commitments, including achieving consolidated ecommerce trading profit during the first half of FY25, and the continuation of the open-ended share repurchase programme. More information will be included in the interim results to be published on 29 November 2023.

The company will convene a call to discuss this announcement with investors at 11:00 am CET today, Monday 18 September.
